

Our Volunteers

Our Support, Our Inspiration

Volunteers inspire those they work with and serve at Empath Health.

Their dedication and support improve the lives of the many people we assist every day. You too can help fulfill our mission through rewarding volunteer service. Whichever role you choose, you will have a meaningful impact on our community and enrich your life as well.

- Providing companionship and caregiver respite, running errands or delivering supplies
- Making phone calls to patients, families or those who have experienced a death
